Sierra Watershed  
Education Partnerships

SWEP promotes environmental stewardship by connecting students to their community and local environment through comprehensive watershed education and service learning.

## Happy Holidays from SWEP

### Winter Discovery Center and Full Moon Yurt Dinners

Despite the lack of snow to date, teachers are signed up and ready to bring their students to the Winter Discovery Center. This program is in its fourth year and we are looking for volunteers to help with weather monitoring and our classroom programs. Contact Ashley Phillips [ashleytewenson@hotmail.com](mailto:ashleytewenson@hotmail.com).

Full Moon Yurt Dinner tickets now available. January 6th and 7th with Doug Baehr of the Uncommon Kitchen and February 4th and 5th with Douglas Dale of Wolfdales. Contact Valli at Tahoe XC 530-583-5475 for tickets. These dinners sell out!

### Envirolution Club

Thanks to funding from the Nature Fund and new partnerships with North Tahoe PUD, Tahoe City PUD and the Tahoe Water Suppliers Association, the club performed Trashion shows at three North Shore schools. Truckee school assemblies are supported by the Town of Truckee and Truckee Donner PUD and will occur between Jan-May 2012.

### A Year in Review

Thanks to all our partners, funders, volunteers, board and staff for making 2011 a great year. Please go to our website to view our [Annual Report](#) and to make your [year end donation](#). Thank you!

SWEP conducts Science, Technology, Engineering and Math programs for students throughout the Tahoe Truckee Unified School District. Our classroom and field trip curriculums expose students to Forest and Fire Ecology, Watershed Science and Management, Resource Conservation and Sustainability.
