

SWEP

Sierra Watershed Education Partnerships

SWEP promotes environmental stewardship by connecting students to their community and local environment through comprehensive watershed education and service learning.

SWEP Promotes Environmental Stewardship in So Many Ways...

Youth Living With Fire Workshop April 12, 9am-12noon

863 Tanager Dr. Incline Village, NV Incline Fire Station

Get your copy of the new Youth Living with Fire DVD, curriculum resources and great ideas for how to reach k-12 students during Wildfire Awareness Week. This workshop will focus on concrete activities that emphasize the concepts of forest ecology, fire ecology and defensible space. Cost: \$20

www.4swep.org for more information or to register.

The Youth Living with Fire DVD is designed for educating about Sierra Forest Ecology and Defensible Space.

Tahoe Truckee Earth Day Celebration April 23 11am-5pm Village at Squaw Valley Volunteers Needed!

Join SWEP and our partners at the Children's area for lots of fun filled hands on 'Earth Aware' activities. Energy activities: solar car races, ride the energy bike. Water Quality activities: hands on watershed and groundwater models; live macroinvertebrates (aquatic insects). Native Species activities, recycled art and more!

Envirolution Trashion Show is on the Main Stage at 2:15pm--Come see their new outfits and action oriented environmental messages!

SWEP Awarded Nature Fund and Lahontan Community Foundation Grants!

SWEP is pleased to announce that we have been awarded funds from the Tahoe Truckee Community Foundation Nature Fund and the Lahontan Community Foundation to promote Youth Environmental Leadership at both Truckee and North Tahoe High schools. SWEP will work with students at both schools to promote Envirolution Club activities--specifically, high school youth mentoring younger students through leading hands on projects with SWEP. Topics include water quality, native fish, forest ecology and resource conservation.

SWEP staff Christine and Missy receive the NLTRA Positive Environmental Impact award from
